Why Black & Veatch?

At Black & Veatch, you'll be part of work that matters—designing, creating, and building the infrastructure communities rely on every day, from concept through execution.

We care about how the work gets done as much as what we build. Safety is built into every decision, and people look out for each other—speaking up, collaborating, and doing the right thing because it affects real lives.

You'll work alongside teams solving complex challenges and turning ideas into solutions that perform in the real world—gaining hands-on experience across projects, technologies, and disciplines.

Ownership shows up in how we work. We take responsibility for outcomes, follow through on commitments, and take pride in what we deliver. As a 100% employee-owned company, employees share in the long-term success we build together.

With flexible ways of working and meaningful development opportunities, you'll build a career you can be proud to stand behind.

Why Black & Veatch

Join the Black & Veatch Construction team and build with pride. As a 100% employee-owned company, every role matters — you own your work, your impact, and your future. We lead with care, and safety is non-negotiable and embedded into every role, site and decision, ensuring our teams return home safe, every day.

From field engineering to project management to quality and startup, you'll work with cutting-edge technology, learn from seasoned experts, and grow through real-world, hands-on experience. With a strong backlog across power, water, grid, and industrial markets, you'll have the stability to grow and the opportunity to shape what comes next.
