Position Summary

Our Deloitte Enterprise Performance team is at the forefront of enterprise technology, working across finance, supply chain, and IT operations to deliver holistic performance improvement and digital transformation. Join our team of strategic advisers and architects, differentiated by our industry depth to collaborate with leading solution providers and leverage your experience in strategy, process design, technology enablement, and operational services to enable heart-of-the-business solutions.

Recruiting for this role ends on 12/01/2026.

Work You’ll Do

As a Consultant, Healthcare Supply Chain & Data Analytics on the Supply Chain & Network Operations team, you will be responsible for…

- Supporting requirements development activities that accelerate Medical/Surgical Prime Vendor product list coverage and improve sourcing outcomes
- Performing spend, supplier, inventory, and procurement performance analysis to identify trends, gaps, and opportunities for operational improvement
- Conducting supplier research, market research, and data validation activities to support acquisition-ready requirements packages and sourcing strategies
- Assisting with process improvement and governance efforts that strengthen data quality, workflow execution, and supply chain decision-making
- Collaborating with client stakeholders and cross-functional teams to support transformation initiatives within healthcare supply chain and procurement operations

A successful candidate would possess these skills:

- Ability to work independently and collaborate as part of a team
- Effective written and verbal communication skills
- Meticulous attention to detail and quality of work product
- Ability to build and sustain professional relationships
- Ability to lead projects or workstreams
- Ability to manage and prioritize multiple tasks in a fast-paced and dynamic environment
- Strong interpersonal skills and professional demeanor
- Ability to meet deadlines
- Ability to provide clear guidance to others

The Team

Deloitte's Government & Public Services (GPS) practice – our people, ideas, technology and outcomes – is designed for impact. Serving federal, state, & local government clients as well as public higher education institutions, our team of professionals brings fresh perspective to help clients anticipate disruption, reimagine the possible, and fulfill their mission promise.

Our Supply Chain & Network Operations offering advises, implements, and operates transformational solutions that bring world class supply network capabilities.

Qualifications

Required:

Bachelor's degree

- 2+ years of experience in healthcare supply chain, sourcing, procurement, contracting, category management, or medical/surgical purchasing
- 2+ years of experience supporting data analysis, business intelligence, or reporting using tools such as Microsoft Power BI, Structured Query Language (SQL), Python, Microsoft Excel, or Visual Basic for Applications (VBA)
- Must be able to obtain and maintain the required Public Trust
- Ability to travel 10%, on average, based on the work you do and the clients and industries/sectors you serve.
- Ability to be onsite 2 days a week at the nearest Deloitte office.
- Must be legally authorized to work in the United States without the need for employer sponsorship, now or at any time in the future.

Preferred:

- 2+ years of experience in healthcare supply chain, sourcing, procurement, contracting, category management, or medical/surgical purchasing
- 2+ years of experience supporting data analysis, business intelligence, or reporting using tools such as Microsoft Power BI, Structured Query Language (SQL), Python, Microsoft Excel, or Visual Basic for Applications (VBA)
- 2+ years of experience supporting business requirements development, process improvement, operational transformation, or data governance activities
- 2+ years of experience conducting spend analysis, supplier analysis, inventory analysis, market research, or procurement performance analysis
- Experience applying the Federal Acquisition Regulation (FAR) in acquisition, sourcing, or contracting support activities

2+ years of experience in federal health

The wage range for this role takes into account the wide range of factors that are considered in making compensation decisions including but not limited to skill sets; experience and training; licensure and certifications; and other business and organizational needs. The disclosed range estimate has not been adjusted for the applicable geographic differential associated with the location at which the position may be filled. At Deloitte, it is not typical for an individual to be hired at or near the top of the range for their role and compensation decisions are dependent on the facts and circumstances of each case. A reasonable estimate of the current range is $78,700 to $155.000.

- You may also be eligible to participate in a discretionary annual incentive program, subject to the rules governing the program, whereby an award, if any, depends on various factors, including, without limitation, individual and organizational performance.
- Deloitte is committed to providing reasonable accommodations for people with disabilities. If you require a reasonable accommodation to participate in the recruiting process, please direct your inquiries to the Global Call Center (GCC) at

USTalentCICInbox@deloitte.com.

Recruiting tips

From developing a stand out resume to putting your best foot forward in the interview, we want you to feel prepared and confident as you explore opportunities at Deloitte. Check out recruiting tips from Deloitte recruiters.

Benefits

- At Deloitte, we know that great people make a great organization. We value our people and offer employees a broad range of benefits. Learn more about what working at Deloitte can mean for you.

Our people and culture

- Our inclusive culture empowers our people to be who they are, contribute their unique perspectives, and make a difference individually and collectively. It enables us to leverage different ways of thinking, ideas, and perspectives, and bring more creativity and innovation to help solve our clients' most complex challenges. This makes Deloitte one of the most rewarding places to work.

Our purpose

- Deloitte’s purpose is to make an impact that matters for our people, clients, and communities. At Deloitte, purpose is synonymous with how we work every day. It defines who we are. Our purpose comes through in our work with clients that enables impact and value in their organizations, as well as through our own investments, commitments, and actions across areas that help drive positive outcomes for our communities. Learn more.

Professional development

- From entry-level employees to senior leaders, we believe there’s always room to learn. We offer opportunities to build new skills, take on leadership opportunities and connect and grow through mentorship. From on-the-job learning experiences to formal development programs, our professionals have a variety of opportunities to continue to grow throughout their career.
- As used in this posting, "Deloitte" means Deloitte Consulting LLP, a subsidiary of Deloitte LLP. Please see https://www.deloitte.com/us/about for a detailed description of the legal structure of Deloitte LLP and its subsidiaries.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability or protected veteran status, or any other legally protected basis, in accordance with applicable law.
