Industry Cities & Places

At Jacobs, we're challenging today to reinvent tomorrow by solving the world's most critical problems for thriving cities, resilient environments, mission-critical outcomes, operational advancement, scientific discovery and cutting-edge manufacturing, turning abstract ideas into realities that transform the world for good.

Your impact

We are seeking Interns and Entry Level Engineers, Scientists, Construction Management Professionals, and Architects, to join teams across North America.

You'll impact the world around you by helping us solve real-life challenges. YOU are the future of our company. We'll rely on you to provide support to our teams on critical projects while fostering a culture of continuous learning and inclusion as you bring fresh ideas to the table. You'll work alongside professional engineers and designers, gaining exposure to project coordination, relevant computer-assisted engineering software, data collection and so much more.

Pave the way for your career with a company that inspires and empowers you to deliver your best work so you can evolve, grow and succeed – today and into tomorrow.

**This requisition is being posted to create a talent pipeline for attendees of the WE26 Society of Women Engineers Conference in Boston, MA November 2026. If you are attending this conference, applying to this requisition is a great starting point to get your resume into the Jacobs pipeline but please be sure to apply to all intern positions for specific

locations/specialties that align with your career interests. This position will not be filled as it is not related to one specific need but rather a candidate pool that can be reviewed by recruiters for future hiring needs.

Remember to pre-register here : SWE Preregistration Form and let us know you will be attending WE26 in Boston and you may be selected to interview at the Conference!

Here's what you'll need

- Attendance at SWE National Conference WE26 in Boston
- Entry-Level positions require Bachelors degree in related Engineering field
- Intern positions require current enrollment in a related degree seeking program
- Authorization to work within the US without sponsorship now or in the future

Posted Salary Range: Minimum

60,000.00

Posted Salary Range: Upper

95,000.00

Our health and welfare benefits are designed to invest in you, and in the things you care about. Your health. Your well-being. Your security. Your future. Employees have access to a 401(k) plan, as well as legally mandated benefits.

The base salary range for this position is $60,000.00 to $95,000.00; though will be paid hourly based on hours worked. Within the range, individual pay is determined by work location and additional factors, including job-related skills, experience, and relevant education or training.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status. Job posted on September 29, 2026. This position will be open for at least 3 days.

We value collaboration and believe that in-person interactions are crucial for both our culture and client delivery. We empower employees with our hybrid working policy, allowing them to split their work week between Jacobs offices/projects and remote locations enabling them to deliver their best work.

Your application experience is important to us, and we’re keen to adapt to make every interaction even better. If you require further support or reasonable adjustments with regards to the recruitment process (for example, you require the application form in a different format), please contact the team via Careers Support .
